Collaborative Sponsorships

ManyVids has partnered with some of the biggest names and events in adult entertainment. We want to support the industry every way that we can, especially in areas that don’t always get as much recognition as they deserve. In 2018, we were a platinum sponsor of the TEA (Transgender Erotica Awards Show), the inaugural sponsor of the first ever BBW (Big Beautiful Women) Awards and the presenting sponsors of the XBIZ and AVN conventions. In 2019 we presented the GayVN Awards in Las Vegas and were thrilled to renew our sponsorship of XBIZ, AVN, and TEA.
Influencer Partnerships

ManyVids Celebrities

ManyVids has joined with some of the most creative figures of our generation who represent the ManyVids lifestyle and promote sex positivity. We were a partner in Amber Rose’s Slutwalk, a feminist movement meant to eradicate slut shaming and victim blaming. We invited Farrah Abraham to the site to help fight against abuse in the sex industry, and recently collaborated with Coco Austin star of the hit TV series Ice Loves Coco, for a stunning photoshoot. We are always delighted to bring MV Celebrities into the ManyVids community and look forward to creating more partnerships in the future.
Philanthropic Endeavors

We donated $5,000 USD to show our commitment to helping parents stop children from viewing age-inappropriate content. We renewed this pledge in 2018 with an additional $5,000 USD donation.

• January 2019: ManyVids answered the call from a local shelter providing lodging to sex workers on the streets in the harsh Canadian Winter. Project L.U.N.E., an organization made up of sex workers, received a $3,000 donation to accommodate the overwhelming demand during a particular cold snap. They provided sex workers with a respite from the cold with emergency beds and supplies, demonstrating that everyone deserves to have their basic human needs met with dignity.
Creating a Safer Community

In 2018, ManyVids launched a hotline dedicated to supporting adult content creators. It’s a FREE, confidential, and easily accessible resource.

Celebrating Courage

ManyVids is committed to publicly supporting entertainers who stand up against abuse and unfair practices in the sex industry. Through social media focus, manifestos, featured photo shoots and press pushes, we strive to signal boost these brave performers and their activism.

ASACP

We also understand that pornography should not replace a proper sex education guided by family and educators. ManyVids is proud to associate with the Association of Sites Advocating Child Protection.
A 45-minute documentary, #WeAreMany reached #1 on Vimeo’s top documentaries during the first week after its launched. It chronicles the evolution of ManyVids, its ascension to the top of the industry, and Bella’s efforts to launch and operate a clip site that provides an oasis for adult content creators. Capturing her team’s efforts from Montreal to Los Angeles, Las Vegas to New York City, #WeAreMany sheds a rare light on adult performers and reveals an intimate perspective on Bella French’s mission, which is to empower adult content creators to produce, promote and distribute their own work—while retaining full copyright—with cutting-edge tools. A former camgirl and MV Star herself, French’s vision is to build a sex-positive company that works tirelessly to redefine the adult industry, a $97 billion global market, transforming it by providing a safe haven for sexual expression and actively promoting sex positivity, inclusivity and the fair treatment of adult entertainers.
Award Winning Site

The XBIZ Awards is an annual gala that brings in an audience of the most successful names in adult entertainment to highlight the industry’s outstanding projects. In 2018 and 2019, ManyVids was recognized with the XBIZ Awards trophy for Clip Site of the Year and in 2019 for the XBIZ Marketing Campaign of the Year. ManyVids’ worldwide influence and impact were celebrated at the 2019 XBIZ Europa Awards in Berlin, Germany, where we took home the Global Web Brand of the Year. This official recognition puts the spotlight on the amazing growth ManyVids has achieved since its launch. This success is due in great part to the nonstop effort of the MV Community, every member of which puts their absolute all into making ManyVids #1 in terms of traffic, quality, and innovation.
From the MV Team

Sexuality is an essential component in our society. We at ManyVids embrace this fact and work hard to implement standards that will positively impact the adult industry. Our platform empowers sex workers to be successful entrepreneurs in a safe, independent, and fun environment. We hope you will join us in our journey to revolutionize the billion dollar adult entertainment industry and shine a light into the darkness.
